MISSION STATEMENT

We, the family of Most Holy Redeemer Parish, commit ourselves to enriching our relationship with God by following the teachings of Jesus Christ. With the guidance of the Holy Spirit, we continue to build the Kingdom of God in our midst. Our vision is to foster the faith of all through prayer, service, education, and ministry.

A MESSAGE FROM THE PASTOR

Throughout the Easter Season, we read at Mass every day from the Acts of the Apostles. Except for a few feast days during the year, the Easter Season is the only time we read from the Acts of the Apostles. The Acts of the Apostles is an interesting book, talking about the spread of the gospel message and life in the early Church. The Acts of the Apostles begins with the Ascension and the coming of the Holy Spirit at Pentecost. It focuses at first on the early Christian community in Jerusalem. Following the martyrdom of Stephen, we read about the Church beginning to spread beyond Jerusalem. The focus then shifts to St. Paul, to his conversion and subsequent missionary journeys.

This coming week, we will read about the conversion of St. Paul at weekday Mass. Paul's conversion is a story we are all familiar with. I don't know if we understand what Paul had to endure because of the belief he came to have in Jesus. Paul had been a Pharisaic Jew. The Pharisees were the ones persecuting the Christians and trying to suppress the gospel message. Paul was looked on by them as a traitor because of his new-found faith. Given his past history of persecuting Christians, Paul was also not accepted by the Christians despite his embrace of Jesus and the gospel message. The early Christians all remembered Paul as the great persecutor of Christians, and they were very wary of him as a result. People had a hard time accepting the fact that Paul's life had changed. They had already formed their opinions about Paul, and they were not about to change those opinions.

Thinking about Paul's conversion and the difficulties he faced because of it makes me wonder how willing I am to let people change. Maybe that's the wrong way to think about it. People can and do change. How willing am I to change the way I think about people when they change? How willing are any of us to do that? Paul had a tough time because even though he had changed, people were not ready to accept the change that had taken place in him. How willing are we to change the way we think about other people when changes take place in them?

It was certainly easier for the Pharisees to think of Paul as a traitor than to think he could be right about Jesus. It was a lot easier for the early Christians to continue to be wary of Paul because of his past history of persecution rather than to welcome him as one of them. It can be a lot easier for us to put people in a box they can never leave or cling to our original impressions or opinions about people. St. Paul's conversion shows us that people can change. They may not change as dramatically as St. Paul did, but they can change. Let's make sure we are willing to let people change. Let's be willing to accept those changes when they take place. Let's make sure we're willing to change our opinions and ideas about people when they do.

Fr. Jim Hyland

BANS OF MARRIAGE

OUR PARISH. OUR COMMUNITY.

The MHR School Foundation is a 501(c)3 not-for-profit entity. Recently founded by parents in the community, the MHR Foundation aims to support the long-term success of the school, our parish and our community.

www.mhrfoundation.com

WHAT WE DO

The MHR Foundation raises funds for the sole benefit of our parish school. The establishment of the MHR Foundation ensures that every year Most Holy Redeemer School will receive a monetary gift (10% of our total assets) from the foundation's endowment. As the endowment grows, this annual gift will increase and goes directly to the operating budget of the school. The school's operating budget includes expenses like teachers' salary, technological improvements, and building upkeep and maintenance. Growing an endowment will help ensure that Most Holy Redeemer can continue to provide quality, value based Catholic education.

OUR STORY

The MHR Foundation story is just beginning. It started with a group of parents asking how can we promote Catholic education and ensure the long-term success and financial health of our school? With that, the idea of the MHR Foundation came into existence. Fundraising began with the successful launch of Raider Races, which allowed the MHR School Foundation to make its first monetary donation to the school.

Most Holy Redeemer parish is **our** faith-based community that has flourished for more than eight decades. For many of us, the MHR experience has become the foundation of our lives, education, faith and community. MHR has been a defining force in our hearts, marriages, children, friends, family and traditions. We are beyond proud to call ourselves the **Most Holy Redeemer Raiders!**

Whether you are a stakeholder in our community, active parishioner, student, alumni, parent, or grandparent we need you to answer the bell during MHR's time of need. As a community of believers, the strength of our school is ours to build together. Our best days are in front of us as we pass the torch with a brighter flame to a fresh group of stewards.

As we expand our fundraisers and seek donor support, we look forward to continuing this story with our parish, our school, and our community. We are deeply grateful for your support!

OUR DROP OF WATER TO EASE BURNING IMMIGRATION ISSUES IN CHICAGO

In October 2022, Mercy Sisters Pat Murphy and JoAnn Persch were asked by the Sanctuary Working Group to help an asylum-seeking mother and five children from Sierra Leone. They brought the need to the Chicago Mercy Justice Committee of sisters and associates who agreed to find funds, housing, and all else the family would need. They didn’t realize that they were on the road to starting a non-profit, but they were.

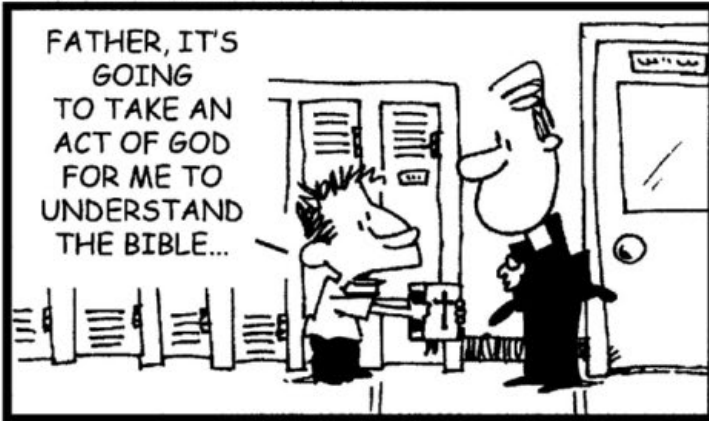

Visions of the buses, tents, overflowing police stations and shelters impelled a small group to accept and help other asylum-seeking families, and Catherine’s Caring Cause, named for Sisters of Mercy foundress Catherine McAuley, was founded. By the end of 2023, it was Catherine’s Caring Cause, Inc NFP. Since its inception, CCC has situated nine families in eight furnished homes on Chicago’s southside. Each home has a mentor who helps with everything from enrolling kids in school to helping with medical and legal issues to explaining how washing machines work (Google Translate is a God-send for Venezuelan families) and everything in between. We are currently helping 13 adults and 23 children and are searching for two more homes.

We need YOUR help as we struggle to raise funds to pay rent, utilities, legal and medical fees. We also need mentors and others to help with such things as driving and teaching English.

Please check out our website at catherinecareschicago.org and contact Carol Conway, cairec49@yahoo.com or 708-227-3560, for more information. Thank you!
