## **A MESSAGE FROM THE PASTOR**

The Liturgical Calendar can be very confusing at times. It can confuse us when certain feast days, feast days that are considered holy days of obligation, lose their status as days of obligation to attend Mass when they fall on a Saturday or a Monday. It can confuse us when a feast such as the Annunciation, which we normally celebrate on March 25, gets moved to the second Monday after Easter when March 25 falls during Holy Week as is the case this year.

We just saw an example of this switching around of feast days this past week. The Baptism of our Lord is usually celebrated on the Sunday after the Epiphany, which would normally be this Sunday. However, in years when the Epiphany falls on January 7 or 8, the Baptism of our Lord is celebrated the very next day. So, this year, we celebrated our Lord's baptism last Monday. While the feast day is past, I think we would be remiss not to spend a little time considering this feast and its implications for us.

One of the questions about our Lord's baptism has always been, "Why was Jesus baptized?" John the Baptist preached a baptism of repentance. Jesus had nothing to repent of. John the Baptist baptized as a way of preparing for the coming of the Messiah. Jesus is the Messiah. He has nothing to prepare for. So, why was He baptized? Probably the best way to look on our Lord's baptism is that it marks the beginning of His public ministry. He publicly initiates the work He was sent to do. He receives the Father's approval for the work He is about to begin. This gives us something to think about regarding our own baptism.

We often concentrate so much on baptism as the sacrament that takes away original sin that we fail to see baptism as an initiation, not just an initiation into the Church, but into a way of life. Just as His baptism marked the beginning of the work He had been sent to do, so too does our baptism begin our work as disciples. This is brought out in the ceremonies that follow the pouring of water in baptism.

Following the pouring of water, the newly baptized person is anointed with chrism. Anointing with chrism always carries with it the meaning that the one being anointed has a special work to perform. In baptism, the anointing with chrism is a sign that with our baptism, we now must begin to carry on the work of Christ. The newly baptized person is clothed in a new white robe. This is a sign of the new life the baptized person has received, a new life that is to be kept free from the stain of sin. The newly baptized person is then presented with a candle that is lit from the Paschal Candle. This is a sign that the newly baptized person shares in the Light of Christ. That light is to shine brightly in our lives, leading others to Christ.

People often ask of the celebration of a sacrament, "How long will this last?" I know they want to know how long they will be in church, but I sometimes like to tell them, "The rest of your life." Sacraments are meant to have that effect on our lives. That is certainly true of baptism. While the feast of our Lord's baptism is past, we can certainly think about our own baptism. How are we doing with the work baptism has given us to do as disciples of Jesus, a work that lasts the rest of our lives?

Monday, January 22, is observed as a Day of Prayer for the Legal Protection of Unborn Children. As we have done in previous years, we will have a Holy Hour for Life following the 8:30 AM Mass on Monday, January 22. Please try to join us if you can.

We have hired a new Maintenance Director to take Tim O'Connell's position. His name is Mike Linane. Mike lives in Oak Lawn. He worked for Com Ed for many years. He has experience in property management, supervision, and a variety of other skills. He will be starting work soon. We are very happy to have found someone to take over for Mr. Tim. I hope we will make Mike feel welcome here at Most Holy Redeemer.

Fr. Jim Hyland

# OUR PARISH. OUR COMMUNITY.

The MHR School Foundation is a 501(c)3 not-for-profit entity. Recently founded by parents in the community, the MHR Foundation aims to support the long-term success of the school, our parish and our community.

[www.mhrfoundation.com](http://www.mhrfoundation.com)

## WHAT WE DO

The MHR Foundation raises funds for the sole benefit of our parish school. The establishment of the MHR Foundation ensures that every year Most Holy Redeemer School will receive a monetary gift (10% of our total assets) from the foundation's endowment. As the endowment grows, this annual gift will increase and goes directly to the operating budget of the school. The school's operating budget includes expenses like teachers' salary, technological improvements, and building upkeep and maintenance. Growing an endowment will help ensure that Most Holy Redeemer can continue to provide quality, value based Catholic education.

## OUR STORY

The MHR Foundation story is just beginning. It started with a group of parents asking how can we promote Catholic education and ensure the long-term success and financial health of our school? With that, the idea of the MHR Foundation came into existence. Fundraising began with the successful launch of Raider Races, which allowed the MHR School Foundation to make its first monetary donation to the school.

Most Holy Redeemer parish is **our** faith-based community that has flourished for more than eight decades. For many of us, the MHR experience has become the foundation of our lives, education, faith and community. MHR has been a defining force in our hearts, marriages, children, friends, family and traditions. We are beyond proud to call ourselves the **Most Holy Redeemer Raiders!**

Whether you are a stakeholder in our community, active parishioner, student, alumni, parent, or grandparent we need you to answer the bell during MHR's time of need. As a community of believers, the strength of our school is ours to build together. Our best days are in front of us as we pass the torch with a brighter flame to a fresh group of stewards.

As we expand our fundraisers and seek donor support, we look forward to continuing this story with our parish, our school, and our community. We are deeply grateful for your support!

## **BEDS PLUS IS PROVIDING HELP... AND HOPE...FOR THE HOMELESS RIGHT HERE IN THE BURK-BANK-OAK LAWN AREA!**

We have opened a full-time shelter at the former Aloha Motel located at 8515 S. Cicero Avenue in Chicago. This facility will provide homeless individuals an opportunity to meet with our case managers regularly to find solutions to their homelessness.

And you can help! Right now, we really need volunteers to help us with meals at the shelter. We will be serving 21 meals each week and that takes work. You can volunteer to prepare meals, serve meals, or greet and help our guests. Give as little as 3-4 hours a month. Share the meal prep (church groups, friends, family) or bring a friend or two to serve meals. If you are looking for a way to help the homeless population, this is it. Call Bill Burke at 708-831-2237 or email at [burke@beds-plus.org](mailto:burke@beds-plus.org). We have shifts to match whatever is convenient for you. Please consider this opportunity to help those who need it most.
