

# Confirmation Saint Project

This is a **requirement** for your Confirmation preparation. There are **TWO** parts to this project.

Due: October 28, 2019

## ❖ PART ONE:

*Write a Diary Entry as the saint whose name you have chosen as your Confirmation name (in the first person). The diary entry should be 2 pages.*

*Write about the details of an event in the life of your saint or about a "day in the life" of your saint. Entries should include **accurate and factual** information about your saint and be written in **the first person**: Write as if YOU are this Saint.*

- *what happened to you (events in your life) based on information you gather about your saint*
- *how people might have reacted to you*
- *what challenges you faced*
- *how you felt (how you think your saint felt)*
- *what you were trying to accomplish*
- *what gave you strength to accomplish your mission*

All Diary Entries must include important facts about your saint's life, history, family, martyrdom. Be Creative!

- We suggest that you try to obtain a full biography of the saint you choose. Often, such stories are filled with interesting incidents from the life of the person.
- [www.catholic.org/saints/](http://www.catholic.org/saints/) - a useful source for information about your saint.

### A TEMPLATE IS PROVIDED:

Your Name \_\_\_\_\_ Saint Name \_\_\_\_\_

Date of entry \_\_\_\_\_ (should be historically accurate)

Dear Diary,

Here I am, in \_\_\_\_\_ (country where your saint lived). I have had many incredible things happen to me.....

## ❖ PART TWO:

What's your Story?

Saints are models for living life as true followers of Jesus. The stories of their lives can have an impact on how we live our own lives.

Write two/three paragraphs about why the life story of this saint will have an impact on your life story. Why do you want to live like this saint? What experiences have you had in your life that might be similar to the experiences that your saint had? What can you do in your everyday life to make an impact like this saint?
