A MESSAGE FROM THE PASTOR

You can find a national day for just about anything. There are national days for different types of food. There are national days for different activities. There are national days for different causes. There are national days for just about anything.

I was recently looking at a list of national days. I checked up on this Sunday, May 5, to see if it was any kind of national day. As luck would have it, not only is May 5 Cinco de Mayo, but it is also National Lemonade Day, African World Heritage Day, and World Portuguese Language Day. If that were not enough, May 5 is also Yom HaShoah (Holocaust Remembrance Day for the Jewish community), and World Laughter Day. It is this last one that I found intriguing.

World Laughter Day is celebrated on the first Sunday in May each year. The observance began in India. Dr. Madan Kataria believed in the theory that one's facial expressions can influence one's emotions. This inspired him to begin World Laughter Day in 1998 in an effort to bring people around the world together through laughter, to help promote and manifest world peace and positivity.

The movement was known as Laughter Yoga. It has established clubs in 105 countries. The clubs all celebrate World Laughter Day and introduce it to their communities. World Laughter Day celebrations are usually made up of people gathering in public to share in laughter. Adherents claim that laughter releases endorphins which help us feel better. Laughing reduces stress. It lowers blood pressure and improves heart health. Laughing helps build relationships. Laughing with someone brings you closer together. Laughter can help you make friends and help you make up with someone you've been angry with.

Someone recently sent me an article about the divisions in the Church. Those divisions do exist. Our country is certainly divided politically and in other ways. People's outlooks on our world and the direction it is going in seem to be on a downward trend. Maybe we all need a good laugh to improve our outlook. A good laugh can make us feel better. It can bring us a little closer together, which is something we definitely need.

A good laugh this May 5 might be just what we all need. I hope we can all laugh at a joke or maybe at some of the funny situations that life presents us with. So much laughter today is at someone else's expense. We make fun of people, of their ideas and point of view. That's not the kind of laughter we need. As my father always said, "It's not really funny unless the other person is laughing too."

Dad jokes are defined as "a wholesome type of joke of the type said to be told by fathers with a punchline that is often an obvious or predictable pun or play on words and usually judged to be endearingly corny or unfunny." As unfunny as they may be, dad jokes are jokes we can all laugh at. They may be the kind of jokes to share and laugh at this World Laughter Day. One of my dad's favorite jokes was about a snail who went to buy a car. This was at a time when all the automakers were making lines known as K-cars, or J-cars, or X-cars. The salesman asked the snail what kind of car he wanted. The snail said, "I want an S-car." The salesman asked, "Why do you want an S-car?" The snail said, "So when people see me driving down the street, they'll all say, 'Look at that escargot!'" Painfully bad, but one of my dad's favorites. If that's not worthy of a laugh, maybe you can try this one. "Parallel lines have so much in common. It's a shame that they never meet." Happy World Laughter Day!

While I have spent a lot of space writing about World Laughter Day, I also want to offer congratulations to all our 2nd grade students who received their First Holy Communion this weekend. It was a big day for them and their families. We hope and pray that they will be joining us each Sunday at Mass to share in the Eucharist. Graduation is drawing closer for our 8th grade students. I also want to offer congratulations to our 8th grade students. They will receive their graduation ribbons at the 8:30 AM Mass this coming Wednesday.

PLANNED GIVING

If your family's needs are being met, please be a light to others by considering a gift through your individual retirement account (IRA) in support of our parish. By naming Most Holy Redeemer Parish as a beneficiary, you will provide crucial financial support to our parish and the entire value of your gift will be transferred to us free from federal estate and income tax. It costs nothing to change the beneficiary on your retirement plan and will mean everything to our future parish community.

Please contact your IRA administrator for more information, or contact Marguerite Q. Zappa, Planned Giving Officer, Archdiocese of Chicago at 312.848.3068 or mzappa@archchicago.org.

OUR PARISH. OUR COMMUNITY.

The MHR School Foundation is a 501(c)3 not-for-profit entity. Recently founded by parents in the community, the MHR Foundation aims to support the long-term success of the school, our parish and our community.

www.mhrfoundation.com

WHAT WE DO

The MHR Foundation raises funds for the sole benefit of our parish school. The establishment of the MHR Foundation ensures that every year Most Holy Redeemer School will receive a monetary gift (10% of our total assets) from the foundation's endowment. As the endowment grows, this annual gift will increase and goes directly to the operating budget of the school. The school's operating budget includes expenses like teachers' salary, technological improvements, and building upkeep and maintenance. Growing an endowment will help ensure that Most Holy Redeemer can continue to provide quality, value based Catholic education.

OUR STORY

The MHR Foundation story is just beginning. It started with a group of parents asking how can we promote Catholic education and ensure the long-term success and financial health of our school? With that, the idea of the MHR Foundation came into existence. Fundraising began with the successful launch of Raider Races, which allowed the MHR School Foundation to make its first monetary donation to the school.

Most Holy Redeemer parish is **our** faith-based community that has flourished for more than eight decades. For many of us, the MHR experience has become the foundation of our lives, education, faith and community. MHR has been a defining force in our hearts, marriages, children, friends, family and traditions. We are beyond proud to call ourselves the **Most Holy Redeemer Raiders!**

Whether you are a stakeholder in our community, active parishioner, student, alumni, parent, or grandparent we need you to answer the bell during MHR's time of need. As a community of believers, the strength of our school is ours to build together. Our best days are in front of us as we pass the torch with a brighter flame to a fresh group of stewards.

As we expand our fundraisers and seek donor support, we look forward to continuing this story with our parish, our school, and our community. We are deeply grateful for your support!

You can schedule payments according to your financial needs, and enjoy immediate and future tax benefits, including a federal income tax deduction for a portion of your gift, if you itemize. Also, a portion of each annuity payment will be tax-free (through life expectancy). The funds remaining after your lifetime will support our parish or school – as designated by you.
